

## **CITIES OF GREATER LOS ANGELES DISCLOSURES**

(REV December 2020)

**These Cities of Los Angeles Disclosures (the “LA Disclosures”) are intended to provide Buyer with information regarding issues that may affect the Property. However, the information available to Broker and contained in the LA Disclosures may not be current or complete. Buyer is advised to contact the appropriate local agency or the office of the member of the City Council representing the specific area where the Property is located to obtain additional information regarding developments, restrictions, traffic, project schedules and other community concerns. In addition, Broker recommends Buyer consult professionals to determine any impact on the Property.**

1. **Sunset Specific Plan.** Buyer and Seller are advised the City of West Hollywood has implemented a 20-year plan (commencing in 1996) relating to the development of Sunset Boulevard from Hayvenhurst Drive on the East to Sierra Alta Way on the West. Implementation of the plan may impact traffic and parking, as well as views and lights for certain properties. Buyer is advised to obtain information regarding the plan, including its timing and potential impact on the Property. Information can be obtained from the Planning Department, City of West Hollywood.
2. **Sunset La Cienega Project.** Buyer and Seller are advised that the Sunset La Cienega project is a multi-million dollar development ranging over four buildings around the intersection of Sunset and La Cienega. The project includes various use development of a hotel, apartments, shops and restaurants. The project began demolition of the existing buildings in the late summer of 2013. The project will likely take multiple years and could cause traffic and congestion around that area. Additional information, regarding current or future development may be obtained from the City of West Hollywood's Planning Commission.
3. **Paramount Studios “Hollywood Project”.** Buyer and Seller are advised that Paramount Studios (located on Melrose between Gower and Van Ness) is planning to expand its facilities within the current location. Information can be obtained from Paramount Studios and appropriate government agencies.
4. **Pacific Palisades Tract 9300.** Buyer and Seller are advised that the Deed of Conveyance for certain properties located in Tract 9300 of Pacific Palisades provides in part, “No building or other structure shall be erected or the erection thereof done on said premises until the plans and specifications thereof shall have first been presented to, and approved in writing by the Palisades Corporation, its successors or assigns, as to outward appearance and design.” The Pacific Palisades Civic League is the successor to the Palisades Corporation. The quoted language governs even minor exterior construction, additions or alterations that affect the Property. The Reversionary Rights Committee of The Pacific Palisades Civic League must approve any change of the outward appearance and design for all buildings, signs, fences, satellite dishes, or other structures or features. Buyer is advised to review the Deed to the Property to determine if these restrictions apply, and if so, to determine the potential impact on the Property. Information can be obtained from the Pacific Palisades Civic League.
5. **Playa Del Rey/Westbluff Underground Gas Storage.** Buyer and Seller are advised the Southern California Gas Company maintains an underground gas storage facility encompassing approximately 460 acres located more than half a mile below the surface approximately under the West Bluffs area of Playa del Rey. Gas is stored and pressurized in the facility. Area residents have brought two pending court cases with respect to the facility, including Prop 65 concerns. Buyer is advised to obtain additional information by contacting Public Affairs Manager at Southern California Gas Company.
